

Sail away with me to Freedom land
Crazy skies, Blue skies

Sail away with me to Freedom land
What will be will be

Freedoms Winds
Whistling thought our souls
Bondage to our backs
As we disappear without a trace

Sail away with me to Freedom land
What will be will be

Sail away with me to freedom land
away from crying dancing preachers
That wants to enslave our minds and souls

Sail away with me to Freedom land
What will be will be
